144 (The Filchers) (Volume 2) Mr Joe Pringle
It’s been a year since Ben, Chris and Leon had stolen three rare diamonds from a high-end jewellery store in Stellenbosch. Now, they’ve decided to go at it once again, but this time the score is bigger and the job is bolder. The take? An African artefact that was brought into the country illegally. It’s too big a job for only three people, so Ben, Chris and Leon call in some extra help. With only a few days to go Inspectors Le Roux and Ntuli start tracking the activities of the illegal artefact and threaten to topple the entire job. Will the group have enough time or will the inspectors be the end of them? They have 144 hours before the artefact ships off. Not only will they have to watch the clock on this one, but they’ll have to watch their backs too.
