CORDUROY MANSIONS - Book 1

In the Corduroy Mansions series of novels, set in London's hip Pimlico neighborhood, we meet a cast of charming eccentrics, including perhaps the world's most clever terrier, who make their home in a handsome, though slightly dilapidated, apartment block.

Corduroy Mansions is the affectionate nickname given to a genteel, crumbling mansion block in London's vibrant Pimlico neighborhood and the home turf of a captivating collection of quirky and altogether McCall-Smithian characters. There's the middle-aged wine merchant William, who's trying to convince his reluctant twenty-four-year-old son, Eddie, to leave the nest; and Marcia, the boutique caterer who has her sights set on William. There's also the (justifiably) much-loathed Member of Parliament Oedipus Snark; his mother, Berthea, who's writing his biography and hating every minute of it; and his long-suffering girlfriend, Barbara, a literary agent who would like to be his wife (but, then, she'd like to be almost anyone's wife). There's the vitamin evangelist, the psychoanalyst, the art student with a puzzling boyfriend and Freddie de la Hay, the Pimlico terrier who insists on wearing a seat belt and is almost certainly the only avowed vegetarian canine in London.

Filled with the ins and outs of neighborliness in all its unexpected variations, *Corduroy Mansions* showcases the life, laughter and humanity that have become the hallmarks of Alexander McCall Smith's work.
