The GreenPath Orison Mr Godwin Akasie
That an affirmation can be a subtle overwhelming force capable of changing events in our lives cannot be denied. The Sages and Philosophers, past and present, have advised it; history has recorded it; and experience has proved it. The efficacy of affirmation can be demonstrated. It is only our own inefficiency, our own ignorance that is at the root of any failure. Used consistently and applied with unalloyed faith and trust, with sincerity of purpose, the effect could be amazingly irresistible. The benefits of an affirmation will depend upon how we are able to change the environment with our thoughts of devotion, our honesty, and by our humble reverential response to what is required of us while enacting it. Once we believe that resources and results can be available to us, they will - the Cosmic operates to reflect our beliefs. This book is a collection of some beautiful lines of affirmations brought together which when used with understanding, in their correct manner, namely: with attitude of humility, simplicity of character and honesty of purpose, together with that intensity of required faith, will produce the desired results.
