The NRSV Notetaker's Bible Not Available
The NRSV Notetaker's Bible offers the perfect format for students of the Bible who wish to make their own notes--whether scholarly notations or spiritual insights--rather than rely on the words of others.

This is the only available wide-margin Bible to feature the highly-regarded New Revised Standard Version translation, the preferred translation in most schools, churches, and homes. So whether you're a student or professor, pastor or lay person, the NRSV Notetaker's Bible will fit your Bible study needs. Its open margins are a perfect match for your open mind.

In contrast to some wide-margin Bibles have only slightly larger margins on both sides of the page, the NRSV Notetaker's Bible features a generous, extra-wide, two-inch outside margin. And because the text is a single column, your notes are always right beside the relevant passage. Ruled lines make it even easier to keep on track. For more expansive thoughts, readers can turn to the back of the Bible for additional ruled pages.

The NRSV Notetaker's Bible is available in hardcover as well as in deluxe cloth and bonded leather, ideal for presentations and gift giving.
